UPCOMING FUNCTION - What Makes and Breaks Intimate Relationships

Dr Ingrid Sturmey of Relationships Australia will present the latest research and demonstrate how people build and maintain- or avoid and destroy their closest relationships.

It will be an interactive session with much discussion, during and after the presentation, so whatever your preference in partners, whether you are single or in a committed long term union; whether you have problems or are doing well this networking forum will be of interest to you.

- Find out what makes intimate relationships work
- Assess how well you are doing
- Get some practical suggestions to improve your way of relating
